Weekend courses or sailing experiences are run over Saturday/Sundays, with arrival on Friday evening. All weekend sailing experiences are full board (Sat/Sun).

## 3 Weekends or 5 Day Experiences

### RYA Competent Crew Practical

This course is ideal for those new to sail cruising and aims to give as much enjoyment as possible. You will spend all day at sea before arriving at a different port or anchorage each evening, allowing you to enjoy the delights of Scotland's highlands and islands.

### RYA Day Skipper Practical/I.C.C.

**MOST POPULAR 2008/09**

This course teaches the basic practical skippering techniques and allows you to take command of the yacht and her crew in familiar waters by day. Some pre-course experience is recommended

and the minimum age for the award is 16 years. Holders of the Day Skipper course can apply to the RYA to receive an International Certificate of Competence with a passport-sized photograph and most international charter companies will accept this as your 'charter license'.

## 5 Day Experiences

### RYA Coastal Skipper

This is a more advanced course focusing on the techniques and skills required to skipper a vessel on longer passages, involving complex decision making, navigation, planning and pilotage. The minimum age for award is 17 years.

### Yachtmaster Prep for Exam

This course is a 5 day preparation for the MCA/RYA Yachtmaster Offshore Exam, whereby your Professional Instructor will ensure that what is likely to be asked in the exam is put into practice beforehand. Contact us to arrange a more personal consultation.

## Shorebased Theory Courses

RYA Shorebased Navigation Courses are run throughout the year at our LargsCentre and PrestonCentre locations and teach the essential skills for safety at sea. Check out the website for details.
